Product Details

- Turns Standard 35mm SLR Cameras Into T-mount
- Use With [T-Components](#)

Increase the function of your 35mm SLR (Single Lens Reflex) camera by adding a T-mount adapter. Attaches to camera body via external thread (S) or bayonet (B), to provide an internal T-thread that accepts standard T-mount lenses and our [T-thread components](#). Not for auto focus cameras, except for Minolta Maxxum™ (Minolta Maxxum™ adapter not functional with Maxxum i or Maxxum si).
