Product Details

- Pre-Packaged for Convenience
- Storage Case Included

Basic and Plus Optical Component Cleaning Kits make it easy to exercise proper care, maintain quality, and extend the usable lifetime of optical components. Save time and money with Edmund's pre-packaged cleaning and handling kits. This kit includes the essentials needed for cleaning optics and optical components. Basic and Plus Optical Component Cleaning Kits items are provided together in a handy storage case. Additional cleaning supplies, cleaning cloths, and an air-blower, are available in the Cleaning Kit Plus.
